

GUEST SPEAKER

***BRAZORIA COUNTY
MOSQUITO CONTROL DISTRICT
111 E. LOCUST
ANGLETON TX 77515***

To Whom It May Concern:

The Brazoria County Mosquito Control District is pleased to offer a free presentation about mosquitoes. This digital slide presentation covers the life cycle of mosquitoes. It includes mosquito identification along with the different diseases they may carry. We also talk about the control measures used by the county, along with some do it yourself control measures that even your students can do. Also there are presentations with career day in mind, as well as how our department works for you, for the adults. These presentations are approximately 30 minutes in length, and are directed toward students from the first grade on up to adults. We are excited to be able to bring this information to you, your students, and your community. We hope you will give us the opportunity to share this information with you. If you would like more information on this presentation please do not hesitate to call us. Date and time availabilities are subject to mosquito activity throughout the county.

Please reserve your date and time with us by calling your local number listed below. Please inform our secretaries to the nature of your call so they can direct it to our presenter. You may also email us at the address below.
