

# **BRAZORIA COUNTY ADDENDUM NUMBER 1**

## **ROAD MATERIAL BIDS**

PLEASE INCLUDE THIS SIGNED ADDENDUM WITH YOUR SEALED ITB/RFP/RFSQ PACKAGE.

This Addendum modifies the road materials bid packages as follows:

1. Definitions: All definitions set forth in the Contract shall have the same meaning unless stated otherwise in this Addendum.
  
2. The following questions has been submitted for clarification:
  - 2.1 Vendor Question: “In reviewing the above mentioned bid packages, I noticed “Applications for permit to transport loads on Brazoria County Roads. These have not been in any of the prior bid packages for these items. Are they required?”  
  
Brazoria County Answer: YES, they are required. The penalty for not having a heavy load permit and bond filed with the Brazoria County Engineer’s Department, Permit Division, can result in issuance of citations by law enforcement and the job transport being shut down.
  
  - 2.2 Vendor Question: “We currently have heavy load permit bonds and permits in place which are renewed every three months. Since we have these documents in place, what are we required to provide for the bid submittals?”  
  
Brazoria County Answer: Per the Engineering Department, Permit Division, you are able to submit a copy of the current permit(s) that were issued to your company.
  
3. All other terms and conditions of the ITB’s are to remain unchanged.

Please refer any questions regarding this ITB’s to the Brazoria County Purchasing Department at (979) 864-1825 or natashas@brazoria-county.com.
